The Midwest Karting Association prides itself on being the most family friendly AND competitive karting club possible. Racers ages 5 to 75+ compete in various classes around our .6 mile, multi-configuration road course.

Racers are welcome to race full-time or part-time. Everybody is encouraged to become a Member at MKA, but Non-members are welcomed to race too.

This season will consist of 15 days of points racing, and the championships will be determined by counting a racer's best 12 of those 14 scores.

The MKA Open

MKA will host a race day prior to the start of the season. This race will be **OPEN TIRES!** That means that any brand or compound of untreated tires will be welcomed to compete.

Best of all, **entry fees are 100% Free!** All you have to do is buy an insurance pass and you are good to go.

Race Classes

We intend to run all of our 206 classes, but if 3 or more karts for a different class come, we will add them as well!

Saturday:

- ◆ 3 practice sessions
- ◆ 3 Races (last race = 1.5 points)

Sunday:

- ◆ 2 practice sessions
- ◆ 3 Races (last race = 1.5 points)
